Organisers Notes.

Many thanks to Walsall club members and to the Judges for all their help. As usual they gave up their Spring Bank Holiday weekend to run one of the best shoots in the country for fellow archers.

Year after year Lilleshall make it more difficult for us to run this shoot. We have been running it for twenty seven years and will continue to run it as long as I get the support from our club members. I did not know that vehicles (including disabled) were not allowed onto the sports field until I arrived on the Friday morning to set out the field etc. It will be interesting to see if the access remains blocked for the GNAM and British Champs !

As I said at the awards presentation if you have any complaints about the shoot send them to me. If you have any complaints about Lilleshall blocking the field then send your complaints to them.(FAO Mr Lee Moore Business Manager Lilleshall National Sports Centre)

Thanks once again to you, and our sponsors, Bowsports & Quicks Archery.

Looking forward to seeing you all next year.

Yours sincerely

Mark Vitta
